

REACH VANCOUVER UPDATE

The Conner Family / Fall 2020

Dear Praying Friends,

From our family and church, thank you for your faithful prayer and financial support during these last few months. We left our last update with some apprehension about how our reopening of regular services would go, however I am thankful that they have exceeded even our own hopeful expectations. It has been a blessing from the Lord to see many first time guests come through our doors since reopening for in-person services, and we have seen people saved, baptized, beginning discipleship, and others become regular attenders.

God has certainly proven that there is nothing that will stop Him from building His Church, and it has been humbling to see His clear work despite our own attempts at navigating the trials and fear a pandemic brings to a community. Certainly, we desire your continued prayer as we desire to be used of God in our city in a special way. Almost weekly we meet people who are searching for peace, and will do almost anything from a secular standpoint to find it, yet are

unwilling to hear the Gospel that holds within it *"the power of God unto salvation."*

Our volunteers are doing an amazing job serving our church family each week.

Please be praying for many more to come to faith in Vancouver through the City Baptist Church family. As well, would you ask the Lord to reveal His will for us regarding our building? Currently, there are some opportunities that have come up, and we desperately need the clear direction from God as to what we should do. I hope to give you more details in the next month or so, but right now, we simply need prayer.

Thank you for your love and support, it is making a difference in Vancouver and we are grateful!

Your friends,

Paul & Jenette Conner
Maximus, Myles, Owen & Royal
