

REACH VANCOUVER UPDATE

The Conner Family / Vancouver, BC Canada

Dear Pastor and Praying Friends,

The past few months of deputation have been interesting and busy to say the least. Since our first meeting in late September we have seen God confirm His calling in our lives time and time again.

We are very thankful to report that we have had several churches partner with us in monthly support as well as many others commit to begin support in this year. We are overwhelmed at God's provision as we are well on our way to raising the \$40,000 in start up costs that we will need to get this new church on it's feet.

October proved to be a busy month with several missions conferences in California, Washington State and British Columbia. While in California, Paul and Maximus were able to visit our two foster daughters in Bible College. The next week, we were also privileged to participate in our sending church's Missions Conference. It was a very unique experience considering we were still on Pastoral staff at Greater Vancouver Baptist Church.

Early November was equally busy as we had one meeting in Washington State followed by Paul preaching at the NorthWest Youth Conference in Portland, Oregon. It was an honour for Paul to preach alongside Dr. Jim Schettler, and it was a blessing to see many teenagers accept Christ as well as make life changing decisions for the Lord.

Owen Malcolm's Arrival

Two days after Paul returned from Oregon, we were blessed with the arrival of our third son, Owen Malcolm on 14 November 2013. We are thankful for a safe and healthy arrival of 8 lbs 8 oz. (3.85 kg) Jenette has been doing fine and we are thankful for the Lord's blessing in the gift of children. So far, Owen has proved to be an "easy" baby which truly is a blessing during this busy time of transition for our family.

In early December, Paul was able to go on a trip to North Carolina to install a touch screen missions display. While he was there he was

also able to present our ministry and preach in two churches. On his return to Vancouver he was able to stop and film a ministry video in the Toronto area. Following his return we were able to spend time with both sides of our family for the Christmas season. We also welcomed another member to the family as Paul's brother and sister-in-law, John-Marc & Alyssa gave birth to their first child, Ella Mae. We are thankful for the time that we were able to spend with family during the month of December.

Currently, we have been booking meetings for the busy Spring season ahead. Please keep us in your prayers as we will be Washington State, California, Ontario and Ohio.

We are so thankful for your support and prayers as we follow God's call to the city of Vancouver. We are excited and looking forward to what God has for us in this year of 2014.
