Dear Pastor and Praying Friends,

Thank you for your continued prayers and support over the last two months. To use the word busy, I feel would be a bit of an understatement. God has blessed us with the opportunity to present our call to Vancouver in ten new churches over the last eight weeks in both Washington State and British Columbia, Canada. Response to our ministry has been good, and we have had many of those churches partner with us in taking the Gospel to Vancouver.

In many ways we are overwhelmed how God has used these churches to be a blessing and encouragement to our family. It is always an encouragement to be a guest at churches that have a real desire to reach the lost both at home and in other cities around the world. We are also thankful to say that we

have seen five adults accept Christ during the last few weeks during the preaching services. It is always great to see people take those first steps of faith, and we are honoured to be a part of their decision.

We do ask prayer for our family as are leaving on March 12th for a forty day trip to the Province of Ontario as well as Ohio State. This is our longest trip during our deputation travels and we will be on the road until April 22nd. We ask prayer for our safety as well as our sanity. Travelling for that long with three small boys will prove to be a challenge. With that in mind, we are looking forward to being in twelve churches during that time, and as the Lord provides it has the potential to really help us reach our goals of monthly support.

We are so thankful for your support and prayers as we follow God's call to Vancouver.

Your Friends,
